

## 2009 Western Caribbean Cruise

**T**here's much to treasure about the award winning **Norwegian Pearl**. She's brand new and full of exciting options, there's even a bowling alley (a cruise industry first!) and rock climbing wall onboard. Zip down the waterslide in one of three swimming pools. Relax the night away in 14 bars and lounges and take advantage of Norwegian's Freestyle Dining concept in one of 10 restaurants, including Cagney's Steakhouse, La Cucina Italian, Mambos Latin/Tapas Restaurant and Lotus Garden Asian Restaurant. Passengers can choose from an impressive array of accommodations from the ultra luxurious Garden and Courtyard Villas to family-friendly connecting staterooms and suites.

We'll fly to **Miami** where we set sail to **Roatan, Bay Islands** where divers come from all over the world to view the pristine Belizean Reef. Next we'll visit the seaside city of **Belize City, Belize** you may opt for an excursion that will guide you through the ancient Mayan city of Altun Ha. We dock next in **Cozumel, Mexico**, where the Palancar Reef, made famous by Jacques Cousteau, attracts scuba divers from around the globe. Following a day at sea, we'll dock at NCL's very own private island, **Great Stirrup Cay**. Relax on the powdery sand and swim in the crystal clear waters before traveling back to **Miami**.
